## COACH TK'S BIO

---

Professionally, TK has worked in the non-profit sector for over 15 years in Community Relations and Fund Development. She's served as a Director for a major healthcare system overseeing 10 hospitals throughout three counties. And, most recently, TK started her own consulting company, TKO Consulting LLC, providing speaking, coaching and training services. As a speaker and success coach, TK is a proud certified team member of author, speaker and pastor, John Maxwell and a proud board member of the Ladies of Success entrepreneur women's group led by reality star, Nene Leakes.

TK also served as an entertainment reporter and reported on local entertainment news, celebrity gossip, social events, and an array of music festivals, such as Jazz in the Gardens and the Overtown Music Festival. TK has been a professional dancer for both the NFL and NBA and is known and respected as a professional choreographer for over 20 years.

Through all of her accomplishments and achievements, modestly, TK wants to be known for her positive spirit and kind heart. So much so, that TK inspires to become an international known motivational speaker to help others learn how to live a positive and purposeful life. She's also in the process of writing her first devotional book to help people achieve their goals and dreams.

Personally, TK was born and raised in Miami, FL. She's married to a Lieutenant with Miami-Dade Police Department and is a proud mom of two beautiful adult children and step mom to two handsome boys. Her favorite book is *The Power of Positive Thinking* by Norman Vincent Peale and her favorite quote is ***"Be yourself; everyone else is already taken"*** by **Oscar Wilde**. She loves to dance in her spare time and is known as a positive, energetic and loving person with a "larger than life" personality.

## DURING YOUR EVENT

- Will be available prior to the designated call time for any audio visuals and sound checks.
- Will share any presentations or other supporting documents during the virtual event (if applicable).
- Conduct a ten-minute Q & A after speech (if requested).

## AFTER YOUR EVENT

- Will spend 45 minutes networking and chatting with your guests during the breakout zoom sessions, reception and any other components of your virtual event are negotiable based on your specific requirements.
- Your organization will provide me with any photos and videos of the virtual presentation from the event.
